

Welcome to the 2022-2023 Scrip Program! Scrip is a fantastic fundraiser for Dubuque Montessori School! With scrip fundraising, we're able to purchase gift cards from participating businesses at a discount. Families purchase those gift cards from DMS at face value, and DMS keeps the difference. By participating in this program, you're supporting the school by just buying what you normally need: gas, groceries, gifts, and more!

How to Start

ShopWithScrip has recently rebranded as RaiseRight. If you've purchased scrip with us in the past, your existing username and password will work on the new site. If not, go to raiserright.com/enroll and enter our enrollment code – **B14FB1LD4661** – then follow the prompts to finish signing up.

RaiseRight[™]

Formerly ShopWithScrip

How to Order

Browse or search for participating businesses at raiserright.com/shop. The percentage donated back to us is displayed for each retailer. Many offer the option to purchase eGift cards which are available immediately.

If you prefer physical gift cards, we place several orders throughout the school year. Place your order with RaiseRight, choose "ship to my coordinator" when checking out, and we'll deliver your gift cards in your child's mailbag. You can pay directly on the website for a small fee, or write a check to Dubuque Montessori School, with "scrip" on the memo line. (Please write these checks separately from other school fees.)

We also keep a small inventory of gift cards you can purchase directly from the office, whether or not you enroll with RaiseRight. We usually have Hy-Vee, and we get extra cards for upcoming Dine Out Nights when available. Requests for on-hand inventory will be filled first come, first served.

Please use our new email scrip@dubuquemontessori.org if you have any questions about the program, and thank you so much for your support!
